## EXCLUSIVE: MATCHMAKER WEDDING!

The *Millionaire Matchmaker*'s Destin Pfaff and Rachel Federoff — who help others find true love on the Bravo reality show — got married on Sept. 24 in the Millesime restaurant in The Carlton Hotel in NYC. "Destin is more rocker, and I'm more vintage, so it was like a rocker-vintage mash-up," Rachel tells OK!. They kept the reception small with 40 close friends, including *Matchmaker* star Patti Stanger, who toasted the couple. Their 2-year-old son, Sin Halo, served as best man. For the reception, "we wanted a topsy-turvy, *Land of the Dead*-meets-Tim Burton cake, and that's exactly what we got," Destin says of Cake Alchemy's red velvet and chocolate treat, featuring decorations that looked like the bride, the groom and their son. "We've been in love for so many years now," says Destin. "Every day I look at her, I love her even more, and I don't even understand how that's possible."
